Re: 039-17499-00103
Second Administrative Amendment to
Part 70 T 039-6046-00103

Dear Ms. Miller:

Supreme Corporation was issued a permit on April 19, 2001 for a stationary heavy truck and bus painting and parts manufacturing plant. A letter requesting a change in source address and telephone area code was received April 17, 2003. Pursuant to the provisions of 326 IAC 2-7-11(a)(2) the permit is hereby administratively amended as follows:

A.1 General Information [326 IAC 2-7-4(c)] [326 IAC 2-7-5(15)]

The Permittee owns and operates a stationary heavy truck and bus painting and parts manufacturing plant.

Responsible Official:	Christy Miller, Vice President Manufacturing
Source Address:	16500 County Road 38, Goshen, IN 2572 East Kersher Road, Goshen, Indiana 46528
Mailing Address:	P. O. Box 463, Goshen, Indiana 46526
Phone Number:	219 574 / 642-4888
SIC Code:	3713, 3089
County Location:	Elkhart
Source Location Status:	Attainment for all criteria pollutants
Source Status:	Part 70 Permit Program Minor Source, under PSD Rules Major Source, Section 112 of the Clean Air Act

A recent change in area codes for Northern Indiana resulted in the change of area code from 219 to 574. The remainder of the phone number is unchanged. The source address has been changed due to the property being annexed into the city limits of Goshen, Indiana and created a mandatory postal change. 16500 County Road 38 is no longer a valid address in the City of Goshen. The reporting forms were changed to reflect the new source address.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment to the front of the original permit.
